

A black and white line drawing of a whimsical scene. In the center, the text 'MYR BOST' is written in a simple, rounded font, with 'LIVE' below it in a much larger, bubbly, rounded font. Underneath 'LIVE' is the text 'TINE LUSTPEPEL' in a smaller, simple font. The scene is framed by various elements: a large, multi-petaled flower in the top left; a bird with a large, ornate crest and a long beak in the top right; a creature with a large, pointed head and a small body in the bottom left; and a large, circular, spiral-shaped object in the bottom right. The background is filled with intricate, swirling patterns and floral motifs.
